How to get to Roundup venue?

There are plenty of taxis and buses. But the venue is right in the middle of the city so traffic is of heavy. Hence it would be better to use the trains.

Go to KL Sentral transportation hub. Inside the terminal, go to the LRT – Kelana Jaya line. Take t Masjid Jamek station. At Masjid Jamek station change to Ampang line. Take this train, go one st and get off at Plaza Rakyat. Exit at Plaza Rakyat Station and walk to convention venue.

Please see route map for walking to convention venue.

Please click on train routes & schedules if you are on different location and follow thru above directions.

How to get to airport 9Klia / Klia2)?

Option A)

Go to KL Sentral. From there you can take the ERL which is express train direct to Klia/Klia2; t about 30 minutes to get to airport.

When taking ERL please note there are two services; one goes direct (express service) and anot makes many stops along the way, hence will take longer time to reach Klia/Klia2.

Option B)

Take a taxi. Either book thru hotel or get it yourself.

Note: If you can try Uber or Grab car – this are online hire services. Usually cheaper, better vehicle better educated and civil drivers and easier to get.

Option C)

Again go to KL Sentral. Take bus from here to KLIA/KLIA2.
